

HUDSON’S BAY CENTRE

General Description	<p>Located in the heart of the city, the Hudson's Bay Centre sits at the intersection of business and pleasure in midtown Toronto.</p> <p>The Hudson's Bay Centre comprises a 535,000 square foot office tower at 2 Bloor Street East, the Bay department store, Marriott hotel, apartments, condominiums and an extensive retail concourse with a variety of retail shops and services. Directly above the intersection of two subway lines at the corner of Yonge and Bloor Streets and in close proximity to the Don Valley Expressway, HBC offers excellent accessibility.</p> <p>This accessibility coupled with the dynamic surroundings of the Bloor-Yorkville shopping and entertainment district makes the Hudson's Bay Centre a favoured destination for office tenants seeking modern office space in a leading edge location. The area is home to creative industry firms like software development, media and advertising as well as more traditional banking and insurance companies who have recognized the area's unique character.</p>
Design Architect	NORR Limited- Architects & Engineers
General Contractor	Aecon
Mechanical Engineer	The Mitchell Partnership Ltd.
Electrical Engineer	Mulvey & Banani
Structural Engineer	Halsall Associates Ltd.
Completion Date	1973- major renovation 2001
Building Height	490 feet, 34 stories
Design Load	20 pounds per square foot partition load 50 pounds per square foot live load
Rentable Area	Approximately 544,000 square feet (office tower)
Typical Floor Area	Approximately 16,500 SF
Ceiling Heights	Slab-to-slab heights on office floors average 13’10” Standard floor to ceiling height is 8’9”
Mullion Spacing	5 feet
Interior Column Spacing	Generally every 30 feet
